No, you can't

TIENS

Cultivate health forever...

It was discovered about 2000 years ago as exotic medicinal mushroom described in traditional Chinese and Tibetan medicine. The British mycologist Dr M.J. Berkelesy first described it in 1843 as *Sphaeria sinensis* Berk. Later in 1878, Andrea Saccardo renamed it as *Cordyceps sinensis* (Berk) sacc12.
